When: 10:00am - 11:00am on Sundays for the months of March and April

Why: As a Leadership Team we believe it is important to have a large gathering place where our community can regularly connect in-person. At this time, we believe the movie theatre is the best place for that.

Capacity: We are limiting capacity to 180 at this time.

Vaccine required? No. The Province has lifted the Vaccine Passport requirement as of March 1st. SilverCity staff will no longer be checking vaccine status on entry. However, The Meeting House vaccination policy will still be in place which requires all staff and volunteers to be fully vaccinated or perform regular testing. There will be no requirements for anyone who is not on staff or filling a volunteer role.

Pre-registration required? Everyone will need to check-in upon arrival, however, only if you are bringing children or youth is pre-registration required. [Click here to register.](#)

11:30am Sunday Lunch Service

Where: 1240 Advance Rd, Burlington

Who: Everyone is welcome. This may also be an easier gathering to invite spiritually-curious people to due to it being more relationally based than programming and teaching based.

What: This is a Sunday Service where everyone brings their own lunch, sits around tables, and enjoys being together. A short encouraging message will also be shared (5-7 minutes). It will be family-friendly. Tables will be set up and people will sit with people in their household or with others with physically-distanced seating in place. Weekly notices from our community will be left on the screen so people can see what else is going on that they may want to participate in. Some people may find their Sunday in-person connection primarily at this service, some may find it at the 10am service, some may find it at both.

When: 11:30am - 12:45pm-ish on Sundays for the months of March and April

Why: As a Leadership Team we felt to focus on four things heading into 2022: Prayer, Connectedness, Discipleship and Mission. This service is a way to make room for Connectedness (gatherings around food tend to make it easy to connect) and Mission (this is an event you can bring friends to that may be spiritually curious). We also recognise that God is 'doing a new thing', so we want to continue to try new things and seek to discern what He is doing in this season. (TMH staff were also trained in '[Dinner Church](#)' late last year and so this helped inspire this gathering).

Capacity: We are limiting capacity to 30 at this time.

Vaccine required? No. However, The Meeting House vaccination policy will still be in place which requires all staff and volunteers to be fully vaccinated or perform regular testing.

Pre-registration required? Yes. [Click here to register.](#)
