When: 10:00am - 11:00am on Sundays for the months of March, April, May and June

Why: As a Leadership Team we believe it is important to have a large gathering place where our community can regularly connect in-person. At this time, we believe the movie theatre is the best place for that.

Capacity: No limit.

Vaccine required? No. The Province has lifted the Vaccine Passport requirement as of March 1st. SilverCity staff will no longer be checking vaccine status on entry. However, The Meeting House vaccination policy will still be in place which requires all staff and volunteers to be fully vaccinated or perform regular testing. There will be no requirements for anyone who is not on staff or filling a volunteer role.

Masks? These are optional.

Pre-registration required? No.

After music and announcements, families get released to go to the adjacent theatre to watch the adult live stream while kids can do crafts. This is happening on the 2nd and 4th Sundays of March - June while we work with a smaller number of volunteers in this season.

11:30am Sunday Lunch Service (Mar-Apr, not continuing in May-June)

Where: 1240 Advance Rd, Burlington

Who: Everyone is welcome. This may also be an easier gathering to invite spiritually-curious people to due to it being more relationally based than programming and teaching based.

What: This is a Sunday Service where everyone brings their own lunch, sits around tables, and enjoys being together. It is family-friendly. Tables are set up and people eat their meal with others and get to know more people. Some people may find their Sunday in-person connection primarily at this service, some may find it at the 10am service, some may find it at both.

When: 11:30am - 12:30pm-ish on Sundays for the months of March and April

Why: As a Leadership Team we felt to focus on four things heading into 2022: Prayer, Connectedness, Discipleship and Mission. This service is a way to make room for Connectedness (gatherings around food tend to make it easy to connect) and Mission (this is an event you can bring friends to that may be spiritually curious). We also recognise that God is 'doing a new thing', so we want to continue to try new things and seek to discern what He is doing in this season. (TMH staff were also trained in '[Dinner Church](#)' late last year and so this helped inspire this gathering).

Capacity: 48 people.

Vaccine required? No. However, The Meeting House vaccination policy will still be in place which requires all staff and volunteers to be fully vaccinated or perform regular testing.

Masks? These are optional.

Pre-registration required? No.
