

My Story

1 | Intro Activity

SUPPLIES

- Dodgeballs

INSTRUCTIONS

- Divide the students into two teams and send them to opposite ends of your group's space.
- Ask both teams to choose one student to be their team's doctor—but keep their identity a secret!
- Explain that the wall behind each team is their hospital. If a ball hits someone below the waist, that person must sit down. The team's doctor may drag them to the hospital. This heals the player, who may return to the game. If a doctor is hit, their teammates can no longer be healed.
- Place the balls across the middle of your space.
- Direct the teams to run for the balls and start playing when you shout, "Go!"
- Play until a team eliminates all of the other team.
