

Loving Others

Jesus wants us to love others even when it is hard. It is easy to love others when they love us back, but it is much more difficult (and requires God's help!) to love others when they don't make it easy.

1. Who are the people in your life that are hard to love?

2. What are some simple things you can do to change your outlook on them? (e.g. Ask God to help you see these people the way he sees them.)

3. What is one way you can show love to one of these people this week and how can you make sure to follow through?

4. Take a moment to pray and ask God to help you do this, and pray for the people that you wrote down.
