

Muskoka Woods COVID Protocols

We're still in a season of ever-changing restrictions, so please be advised that the current protocols listed below from Muskoka Woods are subject to change.

- Vaccination is encouraged for those who are eligible, but not required to attend.
- All guests must self-monitor for symptoms of COVID-19, and must not attend if symptomatic before arrival.
 - If a guest experiences symptoms while at Muskoka Woods, they must immediately notify their leader and isolate in their cabin until arrangements are made to return home early.
 - Please consult Ontario's [COVID-19 Self-Assessment](#) for the most up-to-date screening tool.
- Masks are not required, but are encouraged in indoor public settings. Muskoka Woods will continue to support those who choose to wear a mask for their protection and the protection of others.
- Physical distancing is not required.
- Hand hygiene will continue to be encouraged and provided at appropriate locations.
- There are no gathering capacity restrictions.
- Cleaning and disinfecting will continue to take place to maintain sanitary conditions.
- The newly updated ventilation and air filtration systems will continue to be used by Muskoka Woods, as well as the use of outdoor spaces.
