

“I *[point to self]*

have loved *[cross hands over heart]*

you *[point to someone]*

with a love *[cross hands over heart]*

that lasts forever. *[stretch arms as wide as possible]*

I *[point to self]*

have kept on loving *[cross hands over heart]*

you *[point to someone]*

with a kindness *[smile and point to your smile]*

that never *[wag finger]*

fails.” *[thumbs down]*

Jeremiah 31:3 *[open hands like a book]*
