Help Others

Help someone who usually helps you (a teacher, parent or friend). Ask them how you can help.

Look for someone younger than you today who needs help. Tie a shoe. Read a book. Play together.

Look for ways to help clean up the world around you by picking up trash in an area near your home.

Do something to help someone today without being asked: does someone in your family usually do the dishes? Help them. Does someone normally take out the garbage? Help them.

Thank God

Think about a person you want to thank God for and pray a prayer of thanks to God for them. Take time to tell that person too!

What food or drink are you most thankful to God for? Thank him for it, and share with a friend or family member how thankful to God you are for that thing.

What's one thing in nature you are most thankful to God for? Pray and tell him that you are thankful for that thing. Share about that thing with a friend or family member.

Encourage Others

Who is someone you look up to? Tell them you look up to them and why.

Who is someone that helps you every day? Thank them and tell them you appreciate what they do.

Find someone today who is trying hard to do something that is tough for them to do. Encourage them!

Encourage someone who you don't always get along with. Praise them for something they do well.

Know God

We have been set free because of what Christ has done. Because he bled and died, our sins have been forgiven. We have been set free because God's grace is so rich. (Ephesians 1:7)

Have your roots in Jesus. Build yourselves up in him. Grow strong in what you believe, just as you were taught. Be more thankful than ever before. (Colossians 2:7)

God so loved the world that he gave his one and only son. Anyone who believes in him will not die but will have eternal life. (John 3:16)

“We have been set free because of what Christ has done. Because he bled and died our sins have been forgiven.”

Ephesians 1:7a
