

My Story

1 | Intro Activity

SUPPLIES

- Building blocks or other stackable items
- Soccer balls or dodgeballs

INSTRUCTIONS

- As the students arrive, invite some of them to work together to build with the blocks in the middle of your group's space.
- Give other students the balls and have them stand at the far edges of your space.
- Direct them to kick or toss the balls at the structures the students are building. Make sure they aim at the blocks—not the people!
- To wrap up, ask the builders how it felt to have their efforts knocked over.
- Explain that this is a really simple illustration of what it's like to live amidst violence.
- Introduce this week's Big Idea: **God created us to live in peace.**
