

**God, see what is in my heart.
Know what is there. Test me.
Know what I'm thinking. See if
there's anything in my life you
don't like. Help me live in the way
that is always right.**

Psalm 139:23-24

2. Some of the older kids at the playground are teaching younger kids bad words. What do you do or say to follow God's way in this situation?

3. Your parents asked you to feed your fish before playing after school. They weren't paying attention, and you went to play and forgot to feed your fish. Later, your dad asks if you fed your fish. What do you say to follow God's way?

4. One of your friends doesn't have a soccer ball, and they want to learn to play. You have two balls at home. What do you do to follow God's way?

5. You are at a friend's house, and your friend wants you to watch a tv show that your parents have told you not to watch. What do you do or say to follow God's way?

6. Your teacher tells your whole class to stop making faces when she's not looking. Some of your friends still do, and they want you to make faces too. What do you do or say to follow God's way?

7. Your parents let you have a little bit of screen time each day and you play your favourite game. It's an online game and people always try to talk to you when you are playing, but your parents told you to never talk to people you don't know online. Some of your friends say that they do, and it's not a big deal. What do you do to follow God's way?
