Big Idea

Jesus is God's kid.

Conversation Starters:

Get ideas flowing by sharing some of your own ideas too!

Use these questions to get your kids thinking about the Big Idea.

- Who in your family do you look the most like? How do you look similar?
- Who in your family do you act the most like? In what ways?

Video:

Watch this week's video

Pray & Discuss:

After the video take time to talk about it together.

- What was the Life Story about in today's video? What was the God Story about?
- How do you think these two stories and today's Big Idea (**Jesus is God's kid**) connect?
- **Pray:** God is a part of the conversation with us! You can model for your kids that they can pray to God anytime. You don't need specific words or length but it's great to tell God what you're thinking and ask for him to speak to you and remind you he is near.

Family Discussion:

Supplies:

- Question pages
- Tape
- 1 activity page per person
- Markers
- String or yarn
- Stickers if available

- Shuffle through each question and discuss them together. Complete your activity page as you go with the appropriate fill-in-the-blanks. Your answer key: Jesus, kid, loves, am, kid, loves.
- Decorate your activity page. Then fold it in half and get a piece of string to put under the fold, turning it into a hanger to put up somewhere.
- End with prayer, that we will come to know what it means that we are God's kids and that we would know how much he loves us.

Additional Activities

What's true about Jesus?

Supplies:

- 1 brainstorming activity page per person
- markers

- What's true about Jesus is true about God, too. **Jesus is God's kid**, so Jesus must be a lot like God!
- Have everyone write one thing that is true about Jesus on their page. Discuss your ideas together.
- Give everyone a few minutes to see how many more ideas they can come up with. See who comes up with the most.
- If we want to follow Jesus, we should try to be like him! Discuss: how can we be like or do the things we brainstormed about?
- Jesus was fully human, just like us. He is fully God, too.
- Have one person pose as a basketball hoop
- Have everyone else try to score baskets with the ball. For each basket they get in, have them say one word of the key verse. See which person can get to the end of the verse first.

Key Verse Basketball
